PHP Developer | Senior Web Designer | Graphic Designer

AL FARWANIYAH, KUWAIT | +96550162949 | engineerehab@outlook.com | ehab.habyby.net

PROFESSIONAL SUMMARY

Ihab Elkady is a seasoned **web designer and PHP developer** with over **12 years of experience**. He holds a **bachelor's degree in computer engineering** from the **Arab Academy for Science and Technology (AAST)**, Egypt, and is currently a **Senior Web Designer** at **ALANBA Newspaper** in Kuwait. Previously, he worked as a **Junior PHP Developer and Web/Graphic Designer** at **Entire Vision** in Egypt, served as a **First Lieutenant** in the **Egyptian Air Defense**, and manages personal projects like **habyby.net** and **L.habyby.net** (2013 – Present), demonstrating his commitment to continuous learning.

WORK HISTORY

2014 – Present

Senior Web Designer | ALANBA NEWSPAPER | Kuwait

- **Optimized web pages for cross-device performance**, improving user experience across 100% of devices.
- **Designed responsive, cross-browser UX/UI** for all devices, ensuring consistency on Windows and Mac with a 30% increase in user satisfaction.
- **Created and implemented 10+ frontend pages** for iOS and Android applications, enhancing mobile accessibility.
- Led the **creation and integration of CMS** front-end pages, including **all live ASP implementation** for **45+ projects**.
- Trained 2 junior staff members on ad module implementation using **advertisement scripts**, generating HTML code for 50+ ad zones.
- **Reduced page load time by 20%** in two months through optimization of HTML, CSS, JavaScript, and jQuery, resulting in a 20% decrease in bounce rate.
- **Implemented and maintained social media sharing links** across all devices, ensuring accurate and optimized meta tags for 100% of website pages.

2012 – 2014

Junior PHP Web Developer & Junior Web/Graphic Designer | ENTIRE VISION | Egypt

- **PHP Web Development:** Proficient in developing interactive websites and applications.
- **PHP/MySQL (WAMP):** Experienced in building and managing databases, creating web applications using PHP and MySQL in a WAMP environment.
- **Web Hosting:** Knowledgeable in setting up and managing web hosting environments, ensuring smooth deployment and functionality (JUSTHOST).
- **Graphic Design Tools:** Proficient with Photoshop, Flash, Illustrator, Dreamweaver, and other design tools for creating visually appealing web and graphic designs.
- **Software Proficiency:** Competent in using Microsoft Office for documentation, presentations, and communication.
